Richfield has announced the upcoming opening of its new premium campus in Polokwane, coming in July 2024. Nestled in the vibrant Library Gardens precinct, this state-of-the-art campus is set to redefine the educational landscape in the area and will replace Richfield's previous Polokwane campus.

The poster features a blue background with a green border. At the top, there is a photo of two people, a woman and a man, smiling and looking at a laptop. Below the photo, the text reads: **PREMIUM RICHFIELD CAMPUS COMING TO LIBRARY GARDENS**. Underneath this, in smaller text, it says: 'Ideally located in the CBD, this property is perfect for our students' educational purposes as it shares the building with the town's Library. Additionally, the building offers great access and secure parking, and it is conveniently close to public transport and food takeaways.' Below this, in large green letters, it says: **APPLY TODAY!**. At the bottom, it says: **61 Hans Van Rensburg Street, Polokwane**. There are also contact details: a phone icon with '015 817 2600', a WhatsApp icon with '066 257 2749', and an email icon with 'richfieldpolokwane@richfield.ac.za'. At the very bottom, it says 'Follow us:' followed by social media icons for Instagram, Facebook, and Twitter, and the text '@thisisrichfield'. To the right of this is the Richfield logo and 'RICHFIELD richfield.ac.za'.

The launch of the new campus marks a significant milestone for Richfield as it expands its footprint to cater to the growing demand for quality education in Polokwane and surrounding areas. With a focus on innovation, technology, and student success, the new campus promises to offer an unparalleled learning experience to aspiring professionals and lifelong learners alike.

This is more than just a physical space; it's a hub of knowledge, creativity, and opportunity, where education has the power to transform lives and inspire. The goal is to empower individuals in Polokwane to unlock their full potential and thrive in today's dynamic world through quality learning spaces. By investing in the development of educational infrastructure in Polokwane, Richfield is contributing to the economic and social growth of the region. Access to quality education not only enhances individual opportunities but also strengthens the local community by providing skilled professionals who can contribute to its development.

The new campus boasts high developed facilities, including modern lecture rooms, fully equipped computer labs, interactive learning spaces, dedicated student support services and an updated

contemporary look that fits all the other seven campuses nationwide. With a focus on delivering industry-relevant qualifications, Richfield Polokwane offers a wide range of qualification in fields such as Business Management Sciences, Information Technology and Public Management.

To celebrate the grand opening, Richfield invites all residents of Polokwane and surrounding areas to come and explore the new campus firsthand. Campus tours will be available daily, providing an opportunity to experience the facilities, meet faculty members, and register to study on the spot.

Whether you're a school leaver looking to kickstart your career or a working professional seeking to upskill with a postgraduate, Richfield Polokwane campus is the place to start. Richfield's flexible study options include contact and distance learning, making it easier than ever to pursue a degree, diploma, higher certificate or postgraduate while balancing other commitments.

If you're ready to take the next step in your academic journey, apply now to study at Richfield Polokwane and join a community of learners dedicated to excellence and success.
