

# Deadline for Women in MICE Awards extended until end of July

The Planner has announced the deadline extension for the Women in MICE Awards to 30 July 2021. The awards were postponed from last year. Therefore, the judges will consider efforts made in both 2019-2020 and 2020-2021. The Women in MICE Awards recognise the important role women play in the meetings, incentives, conferences and exhibitions industry (MICE).
