

DSE calls for APEX Awards nominations

The Digital Signage Expo (DSE) is calling on nominations for the 15th annual APEX Awards. The Digital Signage Federation presents the awards, which acknowledge achievement in the creation and installation of compelling viewer content and interactive technology.

The 2018 APEX Awards will be presented to three outstanding entries in a total of 12 categories. Nominees must have a new or current digital signage or interactive technology program installed between 1 November 2017 and 31 October 2018; updated content for existing digital signage installations that began running during the same time period will also qualify.

The deadline to submit entries is 21 December 2018. Additional information and entry forms are available [here](#).
