

Digicape and Vodacom launch iPhone 3G

The new iPhone 3G was recently launched at the Digicape store in Roeland Square, Cape Town.

With fast 3G wireless technology, GPS mapping, support for enterprise features like Microsoft Exchange, and the new App Store, iPhone 3G puts even more features at your fingertips. And like the original iPhone, it combines three products in one - a revolutionary phone, a widescreen iPod, and a breakthrough internet device with rich HTML email and a desktop-class web browser. iPhone 3G. It redefines what a mobile phone can do - again.
