

Howard Audio paints music for Dulux

Howard Audio was recently commissioned by agency Grey to compose original music for the new Dulux TVC, "Easy-care".

We produced a track with a vintage feel that sounds as if it could have been recorded in the 60's. The singing had to reflect the classic nature of the music. The song reflected and amplified the theme of forgiveness captured in the film, rendered via the versatile vocal stylings of Mariechan. Legendary guitarist, Mauritz Lotz, gave the recording even greater authenticity and a light, bright feel.
