

Clinic-in-a-Box wins MyWorld of Tomorrow innovation award

Resolve Capacity has won the Corporate Innovation Award at the 2015 MyWorld of Tomorrow SA Innovation Awards for its Clinic-in-a-Box, a turnkey infrastructural concept for the rapid deployment and commissioning of a clinic. These prefabricated structures can be erected within less than a day, and contain all the components required to deliver a total solution, packed and ready for delivery in 20 to 40 ft containers.
