

Jovago.com nominated for Best Information Website in Nigeria

Jovago.com, an online hotel booking platform, has been nominated for the Best Information Website of the year award in recognition of the quality of hotel information listed on the website...

Jovago.com has been nominated for the Records and Information Management Awareness (RIMA) Awards 2014. The RIMA Foundation seeks to promote access to information, raise awareness on proper management and security of records and information.

Celebrating its 10-year anniversary, RIMA encourages the overall development of the information management industry in Africa and annually awards prizes on several categories. Last year, the awards honoured companies such as Channels TV, Vconnect, Jumia, First Bank and Shell.

Marek Zmyslowski, MD of Jovago.com, "We are glad that our efforts towards improving the tourism and hospitality sector are being recognised. As Africa's leading hotel booking portal Jovago.com takes great care to ensure that all hotel information uploaded on our website is both accurate and informative so our customers are sure that what they see on our website will be what they get on arrival at the hotel."
