

Cellarbake@Nitida returns

Following the success of [Cellarbake@Nitida 2014](#), the ever innovative Nitida Cellars will be hosting their second annual bake and wine pairing festival on Sunday, 22 March 2015.

Set in the Durbanville Winelands, Nitida, together with its resident restaurant and wedding Venue, Cassia, will be hosting a plethora of Cape Town's finest artisanal bakers celebrating their signature sweet and savoury bakes, each paired with Nitida's award-winning wines.

The indulgent occasion, running from 11am to 6pm, offers an array of activities for the whole family. For R100.00 visitors can sample their choice of five baked items paired with Nitida handmade wines and MCC's. Featuring live music in the background, the day will also offer a variety of exhibitors and interactive stalls full of wedding and baking ideas and for the creative individuals there is an option to enjoy a little cupcake decorating.

You can also bask in a lazy-day picnic next to the scenic farm dam with family and friends. Fill your picnic basket with your choice from the variety of food and drink stalls and add a bottle of your favourite Nitida wine.

Tickets are available through [Webtickets](#) at a cost of R100 per person or R50 for those who only wish to taste the baked goods unaccompanied by the wines.
