

John Maytham's *Rapid Fire* launched at CapeTalk studios

CapeTalk's John Maytham launched his new book *Rapid Fire* at the station's studios in Cape Town on 20 October 2017.

The new book is published by Tafelberg Publishers and features obscure questions CapeTalk listeners have come up with in a bid to stump the radio host during the Rapid Fire segment he presents on CapeTalk.

The launch coincides with a live studio audience experience including a high-stakes version of Rapid Fire featuring listeners and CapeTalk station friends: Marc Lottering, Cindy Nell and Jonathan Shapiro along with CapeTalk presenters Africa Melane, Sarah-Jane King and Koketso Sachane.
