Located adjacent to the Kruger National Park, the private Thornybush Game Reserve is situated in the Limpopo province of South Africa. Since the Thornybush Game Reserve is private, experienced game rangers are afforded much more freedom than in a national park. Travellers can be treated to off-road game drives, as well as evening game drives.

If you're planning a South African safari, here are 10 reasons why you need to visit the Thornybush Game Reserve.
