

# CONVERSE \*> truck brings awesomeness to Gauteng

Monstrous. Huge. Colossal. Titanic.

Something rather large has been pulling through Gauteng, something with 18 wheels, an 8m long wall of speakers, carrying the best DJs and hip hop musicians in the country and the most cutting edge street fashion on the planet....The Converse \*> Block Party Truck.

The truck forms the central part of the Converse summer campaign and is travelling across the country bringing Block Party Awesomeness to SA.

Next province to be hit by Converse Block Party Awesomeness...Kwazulu Natal!
