

Dangote Cement now available on Jumia Nigeria

Dangote Cement has entered an agreement with e-commerce platform Jumia Nigeria to offer its cement to customers online.

Nigerians and corporate bodies wishing to purchase a minimum of 300 bags of 50kg of Dangote Cement and above can now order on Jumia and have it delivered to any place of their choice without any extra cost for transportation. The purchases are currently only available in Lagos, Port- Harcourt and Abuja.
