The Creative Circle Awards results for November and December are out and we're thrilled that Howard Audio features in three awards...

A first place award for Integrated Campaign goes to Promise Group and PPS for "The Forgotten Graduate". Howard Audio composed all the original music (all 40 minutes of it!) and crafted the sound design and final mix for this very special project.

In second place in the same category is Halo and Capital Legacy for "Where there's no will..." Howard Audio crafted the radio spots for the campaign.

And last but not least another second place in the Radio & Audio category for Boomtown and Wimpy for “Lost in translation”. We loved crafting the spots in isiXhosa, isiZulu, Setswana and Afrikaans for this campaign.
