Olivier Altmann, co-founder, CEO & chief creative officer of Altmann + Pacreau, France is Print & Publishing Lions jury president. Altmann commented:

“ We are very happy to award the Grand Prix to a piece of work that celebrates creativity and journalism. We have seen some great campaigns over the past few days, where the new magazines the newspapers need our creativity to promote freedom of press and the Grand Prix is a white page of paper, multiple white pages of paper that are the proof that a great

idea can help democracy to work better. ”

Neo Mashigo, chief creative officer (CCO) for M&C Saatchi Group SA as well as the founder of I See A Different You, also served on this year's Cannes Lions Print & Publications jury.
