

Writer In Need

Need Some Help

I am currently a 26 year old male looking to "break into the Industry" i am doing a change of career and studying for my Diploma in Journalism.

I am a Good Writer, i have written reviews on Video Games (Dragon Age Origins) i have also done some interning for the Boksburg Advertiser, writing short articles and reviews.

I am highly interested in writing Articles, Scripts, Reviews basically any form of writing for the media industry, I have been writing for about 10 years, poetry, forum articles, reviews(recently).

I am also Highly interested in doing Voice Overs or Presenting, i am a good looking guy, regarding Voice Overs, I do want to take a short course to strengthen my voice, although i do have a good voice. My Accent is South African/British as my mother is British and i have spent some time in the United Kingdom.

If anyone can help me with any information how to get into the Industry of writing for TV, Radio, Magazines and doing Voice Overs please let me know as i am attling to get into The Industry.

I am Currently in the Kempton Park Area.
