

Have you registered as an exhibitor for Food Hospitality World Africa?

Issued by [Fiera Milano](#)

16 Apr 2014

If not, here is why you should.

We have secured International and Local Buyer meetings.

The South African Department of Trade and Industry (DTI), together with Fiera Milano global, have confirmed that it will be bringing a contingent of international buyers from Egypt, Tunisia, Angola, Nigeria, Thailand, Ghana, Brazil, China, India, Turkey, Mauritius, Portuguese islands, Kenya, Vietnam, The United Arab Emirates, and Europe this year.

We are looking for the following exhibitors:

Canned foods; frozen foods; condiments; convenience foods; fresh fruit and vegetables; fine/speciality products; dairy products; Halal foods; health/organic; meat and poultry; seafood, sauces, beverages - teas, coffees and non-alcoholic drinks; franchises; equipment; tableware; management systems; exclusive products.

Get online visibility for 12 months

Exhibitors will be able to showcase their products on a dedicated platform for 12 months after the show. All International and Local Buyers will be registered on the site to receive information about your products and services. So do yourself a favour and book your stand now before we run out of space.
