

Bafana Bafana stars get connected with BlackBerry

Bafana Bafana players were presented with BlackBerry Storm smartphone's at the Southern Sun Grayston hotel on 23 June 2010.

He was one of five Bafana Bafana players, represented and managed by sports management company, Prosport International, to receive a BlackBerry Storm smartphone, courtesy of BlackBerry, coupled with SIM card and airtime from Nashua Mobile.

The new smartphones will help the players keep contact with their teammates at all times, and will also let them keep in touch with their loved ones and friends when they're playing games away from home.
