The Award will be bestowed to the winner at the 6th Africa Women Innovation and Entrepreneurship Forum's (AWIEF) Virtual Conference and Awards hosted on 2-3 December 2020, with the theme 'Reimagining Business & Rebuilding Better.'

AWIEF's prestigious annual event is a platform that sees global thought leaders, industry experts, policymakers, academics, development organisations and investors gather to dialogue, connect, network, share, collaborate and transact in a combined effort to boost Africa's entrepreneurship ecosystem for women.

Nicolas Pompigne-Mognard, chairman and founder of APO Group said:

“ The launch of our inaugural award in 2019 was successful in putting a spotlight on the work of female journalists sharing the stories of women entrepreneurs in Africa. We are proud to continue The APO Group African Women in Media Award as part of our commitment to supporting the development of journalism on the continent. We look forward to presenting this award with AWIEF in Johannesburg as we celebrate women in journalism and entrepreneurship. ”
