Let's ramp up our efforts to acquire more clients and customers while maintaining honesty and integrity at all times. Fraud is strictly prohibited.

We emphasise the importance of remembering the 8 steps and 5 steps, or vice versa, to avoid errors. Understanding the law of averages is crucial before diving into the 8 steps. It's essential to know your clients well to identify better-fit prospects, leading to increased close rates and happier customers.

Matric certificate or higher education is required.
