

Baby Friday at Checkers Hyper today

Today, Friday, 13 May, 2016, is Baby Friday at Checkers Hyper and there are one-day-only specials in which prices are cut by up to 50% on a wide range of baby products.

Consumers can look forward to a massive saving of up to R125 on a pack of Pampers Premium Care Jumbo nappies, amongst other great deals in-store.

As the first supermarket in South Africa to bring Black Friday to consumers, and following its huge success, Checkers is now introducing Baby Friday to extend these amazing deals on selected baby products to parents across the country.

All items are available during normal store trading hours and while stocks last. Certain categories of products will have limits per-customer to enable as many people as possible to share in the savings.

Checkers knows that being a new parent can be overwhelming, no matter who you are. That's why Checkers not only gives you a wide range of baby products at incredible prices, but also the opportunity to join occupational therapist, journalist and author, Meg Faure, for hints, tips and advice on our Checkers Baby Club.
