

## Fire at Ads24 Joburg

Ads24 Johannesburg is having a very blue Monday: its office building experienced a fire this morning, Monday, 23 June 2008. While all Ads24 personnel are fine, they are without telephone lines at present. If you do need to get hold of your representative urgently, contact them on their cellphones, or contact Elizca Henn on +27 (0)71 687 6109.
