

Kevin Hart to tour SA

Savanna Cider is bringing one of the world's hottest names in stand-up comedy, American actor Kevin Hart, to South Africa for the first time.

Billed as the biggest comedy tour of all time, the Kevin Hart What Now? Comedy Tour made its debut in Texas in April this year with sell-out performances throughout the US, Canada, the UK and Australia. The South African leg of the tour kicks off in March 2016 with shows in Cape Town, Durban, and Joburg.

A prolific entertainer, Hart is one of the most hard-working performers in show business today with his comedy tours, hit movies, television show and prime time TV appearances. He has more than 30 films to his credit, the most recent being *The Wedding Ringer* and *Get Hard* opposite Will Ferrell, both released earlier this year. He produces and stars in the television hit series, *Real Husbands of Hollywood*, and has made appearances in numerous top-rated TV shows, such as *Modern Family* and *Saturday Night Live*.

Fans can look forward to his performance in the sequel, *Ride Along 2*, alongside Ice Cube, Olivia Munn and Ken Jeong up for release next year. His hectic acting schedule currently includes voice recordings for the animation movies, *The Secret Life of Pets* and *Captain Underpants*, as well as a feature role in *Central Intelligence*, a quirky film on the world of international espionage with co-stars Dwayne Johnson and Aaron Paul, all making their debut in in 2016 and 2017.
