The first year in studio highlights included the popular Satyn Prinses, Popular Mechanics, Wat se Jy Daar, Waar's Willie, Hole in the Headline and Ek Verlang na Jou.

Listeners may remember host Tim Thabethe asking Helen Zille if she uses three ply toilet paper while wishing her a happy birthday, the Julius Malema song written by Andre Kunz, the baby expert saying, "die tiet is verniet", the UFO sighting, the free Neil Diamond Concert and Habekan; the Indian on tour through central South Africa during the soccer world cup.

It has been a memorable, enjoyable and utterly entertaining twelve months. The next few are going to be a lot of fun.
