PenQuin International was once again awarded the contract to build the Suzuki Marine stand for the WesBank National Boat Show that took place at The Coca-Cola Dome in Northgate from 18 to 20 August 2006.

PenQuin International and Suzuki Marine scooped the top awards for the third consecutive year by winning the Outstanding Contractor and Best Large Stand awards.

The innovative design of the Suzuki Marine stand showcased the new range of Suzuki Marine boats and outboard motors. Suzuki Marine sales from the stand were exceptionally high from the first day that the show opened its doors to the public.

Suzuki has noted exceptional sales returns from the show and expects the fast approaching summer season to be an exceptionally successful one.
