CareerJunction, one of SA's most popular job boards, hosted its 12th annual Recruiter Awards on the evening of 5 November 2015 in Sandton. The prestigious event brings together the country's top players in the recruitment industry to celebrate service excellence within their profession.

What makes this event so unique is that award winners are determined by jobseekers' voting, based on the service that they received from their recruitment agency.

This year CareerJunction renamed their categories and winners of each category were based on the amount of jobs posted over the past 12-month period:

- **Platinum 100** (advertised an average of 71 to 100 job ads per month).
- **Platinum 70** (advertised an average of 26 to 70 job ads per month).
- **Platinum 25** (advertised up to 25 job ads per month).

A total of 273 agencies were nominated and nine awards were presented on the evening to the 2nd runners up, 1st runner up and winning agency per category. Janine Azevedo from Sinakho Staffshop was awarded the prize of Consultant of the Year.

"This is the 12th successful year of recognising high performance in the recruitment industry and we are very proud to be able to host this annual event." said Paul Byrne, Managing Director of CareerJunction. "Congratulations to all our winners and runners-up."

All voting results and winners were audited by Levitt Kirson.
