

### Distance, only sexier

Issued by <u>Vicinity Media</u> 5 Nov 2018

One of Vicinity Media's key differentiators is the ability to publish and integrate the **Distance to Offer/Store** within the client's creative. This requires extremely accurate location technology, as well as an ad-building platform within your ad server to publish the location.

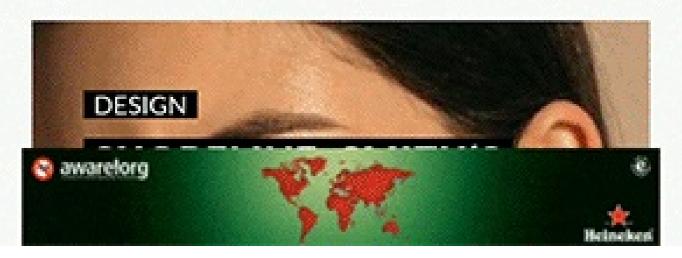

Over the last six months Vicinity has been hard at work making these distance windows far more engaging with a focus on enhancing the client's creative with location, not just providing key location information to the consumer.

Four of these new distance windows are showcased below:
