Sentiment analysis of Euphoria in South Africa: What South Africans feel about the show

The data shows that 22% of viewers feel mostly positive about the show in South Africa, as opposed to 58% of neutral sentiment, 18% negative and 1% not rated.

The positive sentiment was driven by Showmax's efficiency in posting the episodes, *Euphoria* being one of the most anticipated returning shows in 2022 and the overall quality of the show.

The negative sentiment accounted for 18%, the social media data indicates that this is because viewers wish all the episodes were released at once.
