

Unlock Ultra - Openview launches Pay TV service

Issued by eMedia

2 Mar 2023

The best of both - one decoder, two worlds. Openview is launching a satellite-first in SA with an added Pay TV option. Soon viewers can experience a new world of curated entertainment using the same decoder. Ultraview enables viewers to see additional bouquets of content for a monthly subscription, whilst retaining and enjoying the free Openview content on their decoder.

The revolutionary new service is giving audiences viewing power by giving them the choice of free or paid content, at their discretion.

Unlike other services, Ultraview allows viewers to find exclusive niche content, conveniently in one place, and pick stand-alone bouquets.

Ultraview launches the Pride bouquet on 6 March 2023. A colourful new world with exclusive content for the curious, bold,

and diverse, featuring two channels – OUTtv and FUSE.

OUTtv is a lifestyle channel featuring a variety of LGBTQI series, raw reality, impressive documentaries, hysterical telenovelas, gay romcoms, award winning films, and OUT originals. Some of the colourful shows include *Being Bebe*, *Call Me Mother*, *Gogo For the Gold*, and *Hot Haus* (Season 2 launches at the end of March – the first worldwide premiere on Ultraview), and many more.

Fuse Ignites culture with vibrant entertainment that celebrates and amplifies fresh, young voices. It shares the stories that empower diverse young adults. Stacked with movies, documentaries, competition shows, and compelling Fuse original series like *Sex Sells*, and the always fabulous *Big Freedia* which will thrill viewers from beginning to end.
