Ending off its 15th successive year, the NSBC and World Famous Events announced South Africa's Top 5 Startup Winners, Top 10 Winners, Special Award Winners and the Main Category Award Winners at the 2023 South African Small Business Awards gala breakfast, a glittering affair attended by the business elite. These prestigious awards have gathered a diverse range of entries all with one thing in common – a driving entrepreneurial force.

“We are astounded at the diversity of entrants again this year, but equally encouraged as it shows the depth and breadth of South Africa’s entrepreneurial spirit. Growing small and medium businesses is vital to the local economy and its ever-growing rate of unemployment. This type of innovation and entrepreneurial spirit will undoubtedly cultivate a much healthier business landscape for all involved,” says Mike Anderson, founder and CEO of the NSBC.

The 2023 national sponsors are, in alphabetical order; Absa, AWS, Experian, FedEx, Nashua, Netstar, Sage, Telkom, Toyota and Vodacom Business.

“We are humbled by the support of such esteemed industry leaders. Without their commitment to building tomorrow’s entrepreneurs, these businesses would have less opportunities to thrive and flourish,” says Anderson.
