Latest Effective Measure statistics show that [MyGaming](#) attracts a larger South African gaming audience than any other gaming website.

The August 2012 Effective Measure statistics reveal that [MyGaming](#) once again attracted a larger local audience than any other gaming website in the country.

The statistics show that MyGaming had 84,904 unique visitors in August, of which 34,749 were South African Internet users. The website served an impressive 525,006 page views last month.

MyGaming's unique audience makes it a popular choice for advertisers looking to target an affluent male audience. 96% of MyGaming's readership is male, while the majority of visitors are between 18 and 40 years old.

For those who think gamers are mainly spotty teenagers living off their parents, think again! Over 50% of MyGaming's visitors are professionals earning between R25,000 and R70,000+ a month.

The majority of MyGaming's visitors work in the IT and telecoms field, and close to 70% of them have a tertiary qualification.
