

Rocket Creative celebrates 15th anniversary

Issued by [Rocket Creative Design & Display](#)

19 Mar 2013

Rocket Creative is honoured to announce that the month of March celebrates their **15th Anniversary Year**. Founded and launched by MD Richard Nilson in February of 1998 from humble beginnings, the company has grown exponentially to become an industry fore-runner in the activation and display equipment industry supplying all major end users and activation and advertising agencies alike.

Richard elaborates, "With an ethos for relentless innovation the business has achieved significant recognition within the industry and is proud to be able to lay claim to supplying aesthetically unique branding product to promote and activate hundreds of South Africa's leading blue chip brands. All of our display offerings are innovatively designed to deliver exacting functionality at a cost-effective price point to the client, delivering visually stimulating appeal and awareness for the product. We have managed to achieve our aim to originate and offer our extensive range of innovative display equipment over the years and we will continue to forge ahead with this trend setting ethos. At the same time, ensuring that our products are effortlessly available to the market is a primary focus of our efforts this year."

Not content to rest on their recent achievements, the Rocket Creative crew is ultra motivated and hard at work to ensure that 2013 continues to be another significant growth phase for the business.
