

Rain 4G sim cards now available at more Pargo pickup points countrywide

Rain has expanded distribution further by making its 4G sim cards available at an additional 58 Pargo pickup points countrywide. Rain customers can now pick up their sim cards at their nearest participating Clicks stores, thanks to the company's growing partnership with Pargo.

There are now 334 Pargo pickup points inside Clicks stores in Gauteng, KwaZulu-Natal, Western Cape, North West, Eastern Cape and Free State offering Rain sim cards.
