Nissan Formula E Team launched its livery for the 2022/23 ABB FIA Formula E World Championship, featuring a cherry blossom pattern, the Sakura. The team's choice to feature this iconic flower in its Season 9 livery is not only a homage to its Japanese heritage but also a symbol of a fresh beginning.

Nissan made its all-electric racing debut in Season 5 (2018/19) of the ABB FIA Formula E Championship, becoming the first and only Japanese manufacturer to enter the series.
