

SunMirror AG announces Lester Kemp as its new chief operating officer

SunMirror AG has appointed Lester Kemp as its new chief geologist and chief operating officer. Kemp will lead SunMirror's projects in Australia where it holds mining rights. He will also oversee further expansion into new markets and support the company with his many years of expertise in exploration.

Kemp graduated from the Royal School of Mines, Imperial College London. He has over 25 years of experience in senior positions worldwide in mining and exploration.
