

Has the explosion of payment platforms shaped online shopping?

Just over two decades ago you paid for things by check, cash or credit card. Fast forward to 2022, there are more payment options and platforms than the South African cabinet of ministers and deputy ministers (and there are many).

Kevin Britz and Craig Page-Lee, hosts of Africa's leading Marketing & Leadership show, exclusively on [ebizradio.com](https://www.ebizradio.com) dive into the plethora of payment platforms and share industry insights, key learnings and innovations with us.
